

Zytonic[®] Neem

1 quart (2.3 lb)

Ingredients

- Neem Oil 58%
- Emulsifier additive 42%

**Ingredients vary +/- 2%

Benefits

- Organic certified natural crop protector
- Prevents multiplication and spread of pests and diseases
- Helps reduce crop care chemical residues
- Bio-degradable formulation

Application Rate

- 1 quart Zytonic Neem per 55 gallons of water

Application Methodology

- Shake well before use
- Thoroughly mix Zytonic Neem in water
- Apply as a foliar spray every fortnight while ensuring complete canopy coverage

Note

- Easy to mix & compatible with most crop care solutions including insecticides, herbicides, fungicides and foliar fertilizers (except cationic - based substances)
- Stable over a broad pH range and water hardness

Standard Safety Guidelines

- Refrain from extended or recurrent skin contact. Make sure to thoroughly cleanse your skin after coming into contact with this product.
- Avoid contact with your eyes
- Avoid inhaling fumes or fine droplets. Refrain from ingesting the substance

PPE (Personal Protective Equipment)

Recommendation

Use appropriate PPE, such as a NIOSHA/MSHA approved respirator, chemical goggles or a face shield, along with rubber gloves, boots, and clean protective clothing when exposure limits are surpassed or likely.

First Aid Guidelines

Eye Contact: Gently hold the affected eye open and rinse with water for 15-20 minutes. Remove contact lenses (if applicable) after the first 5 minutes and continue rinsing. Seek immediate medical advice from a poison control centre or a doctor.

Inhalation: Move the person to fresh air. If they are not breathing, call 911 or an ambulance and provide mouth-to-mouth respiration if possible. Contact a poison control centre or a doctor for further guidance.

Ingestion: If swallowed, do not induce vomiting. Rinse the mouth with water. Dilute stomach contents by drinking water. If vomiting occurs spontaneously, ensure the person's head is positioned below the hips to prevent inhaling vomit into the lungs.

Do not administer anything by mouth to an unconscious person. Immediately contact a physician.

Environmental Precautions

Do not use this product in aquatic environments. Avoid direct application to water, areas with surface water, or intertidal zones below the mean high water mark.

Container Disposal

Triple rinse containers during mixing or loading. The best disposal option is recycling decontaminated containers.
